## caring & serving

### extra! extra! get your letters in!

We have a delegation from St. John's traveling to El Salvador on June 24. We would like every sponsored student to get a letter. You will receive envelopes for your letters and cards. If you wish to include a page of stickers or a couple of cool big stickers for the older kids, that would be great. We will be giving out pens and pencils to all of the scholars as well as church kids during the visit. **Please get your letters/cards to church by June 12!** Please let Mary Beth Gubbins know if you have any questions. Thank you!

### newborn kits update

We are moving slowly toward our goal of 350 Kits. Every donation whether large or small is important to the ministry. The items still needed in large quantities are small bath towels(317), receiving blankets(228), baby shirts(160), cloth diapers(659), sheet squares(212). Monetary donations will help to purchase items in bulk. (Please make checks payable to St. John's Women's Ministry.) Check the poster in Fellowship Hall for most recent update. We look forward to seeing you on assembly night July 19. Please come along with us on our journey of collecting, counting and saving lives - one baby at a time.

### outreach for hope bike ride

The count-down has begun. . . mark your calendars for the annual **Outreach For Hope Family Bike Ride on September 10** and join the fun as we Pedal to Push Down Poverty. ## children, youth & families

### preschool thanks

How amazing are teachers and how their impact on people is infinite. It's the relationships they create, even if some of them last only for a short while. Although they are letting go of their students, they will never have to let go of the impact and difference they have made in children's lives.

We would like to thank and honor our St. John's Preschool teachers for a wonderful year of learning and bless them with a summer of sunshine and rest. Thank you,

Mary Wagner  
Vicky Haut  
Lana DeCoto  
Jan Simon  
Barb Lange

## learning and growing

### grief mentor opportunity

Lori is forming a Grief Mentor Team at St. John's. This group will take the Grief Care training course to become a Grief Mentor. We have purchased this training course which is a series of videotapes along with a mentor workbook. Grief Mentors will be a one on one resource for members who have suffered a loss and would like a support person to talk with. This mentor team will be a compliment to the Grief Support Groups which will be held regularly throughout the year. There is no cost to members who would like to take this training course and be a part of this volunteer Grief Mentor Team at St. John's. If you are interested in this team or have questions, please see Lori Davis.

### men's softball

In the annual battle for the intersection, team S-T-J scored a big 21-12 victory over Elmbrook 2. In my absence this week, Bill "Lombardi" Hughes took over the reigns and guided the team to a well played victory. I might be looking for a new coaching job. :) No game on Memorial Day. Next up Saturday June 4th, 9 AM (summer tournament), Wirth Park. Call Brian Harms for details 414-651-2120.
