St. John's Lutheran Church  
Fellowship Hall  
20275 Davidson Rd. Brookfield, WI

Sunday, March 11, 2018

**BRUNCH 9:30 AM – 1:00 PM; MARKET 9:30 AM – 1:00 PM**

*You, O God, cause the grass to grow for the cattle, And the plant for people to use, to bring forth food from the earth, and wine to gladden the human heart, oil to make the face shine And bread to strengthen the human heart. Psalm 104:14-15*

## From the ELCA social statement "Caring for Creation"

The principle of sustainability summons our church to support U.S. farmers who are turning to sustainable methods, and to encourage industries to produce sustainably. It summons each of us, in every aspect of our lives, to behave in ways that are consistent with the long-term sustainability of our planet.

*Join us at ST. JOHN'S as we host an AMAZING Winter Farmers' Market and Brunch through the Food, Faith and Farming Network! Winter Farmers' Markets not only give us the opportunity to celebrate local foods but provide critical support for local farmers. There is no cost to shop the market!*

This year we expect 15 varied vendors at the market. They represent a wide variety of growers from grass-fed livestock and organic vegetable farmers to orchard and bee keepers and even an alpaca farmer with woven products. Also at the market are local artisans including a baker, candy maker and Milwaukee's only cheese maker, Clock Shadow Creamery. **A full list of vendors can be found at the below.**

## **BRUNCH: Made with ingredients direct from our farmers!**

Brunch ingredients are sourced almost entirely from farmers attending the market or other small producers.
