

MET minutes from Dec, 19, 2017

1. Synod reports: Characteristics, Context (Ralph)
 - a. Ralph reported on Characteristics and Context of St. John's geographic population. Needing to adjust Context findings based on feedback from group.
2. Carolyn on her assignment that is the final page of the Ministry Site Profile hand-out.
 - a. Carolyn will work and share findings at next meeting.
3. Report on 1-10 questions. Earlier we said to figure out the average for questions 5&6 but I think we should count up the 10's, 9's, 8's etc. So if you can do that and have a total for all the groups you saw we will turn them into Rich who will put that in a graph summary.
 - a. Everyone gave responses from #5 and #6 questionnaire from meetings with individuals and small groups.
 - b. Rich averaged results
4. Melissa will take us thru the affinity exercise. To get ready for that please have your post-up notes summaries for your visits.
 - a. Group went to the sanctuary wall. Members placed post-its with responses in sections of the sanctuary wall. Members organized and tallied responses into 'themes'
5. Discuss what format we need to present the small group affinity exercise.
 - a. Notes were compiled from themes. Themes documented and charted at the end of the minutes.
6. On going assignment of looking thru the question examples and sending those you think might work to members of the summary team: Melissa, Mary, Rich, and Benji.
 - a. Team is meeting on Dec. 21st to draft congregational survey
7. Pastor Frank
8. Merry Christmas and a big thank you - next meeting January 9.
