**focus of january outreach offering: socks and undies**

January's local outreach emphasis will focus on Hope Center. The Hope Center serves a large population of folks who just don't have sufficient resources to "make ends meet". The Clothing Shop at Hope Center provides donated clothing items to help clients stretch their resources. It's a significant treat when the Clothing Shop has new underwear and socks to pass on, so St. John's is asking for new donations of those items in January. The greatest needs are for socks (all sizes) and underwear: kids (all sizes), ladies (sizes 5-8), and men (small and medium sizes).

**annual meeting is january 29**

Our annual meeting is scheduled for January 29 at 12 noon. Our agenda will include:

- Treasurer's report
- President's report
- Pastor's report
- Audit Committee report
- Approval of the 2017 6-month budget
- Election of a Nominating Committee
- Approval by simple majority vote of amendments to the St. John's constitution as approved by the 2016 Churchwide Assembly
- Approval by majority vote of the change from semi-annual meetings to one annual meeting in May or June.

Please review the copy of amendments posted on the member section of the St. John's website *makedisciples.com* prior to the annual meeting. If you would prefer to read paper documents, copies are available for review at the desk.

**elca world hunger**

More than 800 million people — that's 1 in 9 people in our world today — are hungry. As members of the ELCA, we are called to respond. We are a church that rolls up our sleeves and gets to work. From health clinics to microloans, water wells to animal husbandry, community meals to advocacy, your gifts to ELCA World Hunger make it possible for the ELCA to respond, supporting sustainable solutions that get at the root causes of hunger and poverty. Please consider contributing to this very effective and efficient ELCA program with a one time donation, or if it will help you to remember, **grab a bundle of 12 hunger appeal reminder envelopes** conveniently available in a basket on the information desk.

## learning and growing next steps

### adult education

This Sunday we continue an educational series taught by St. John's member and Deacon Stephanie Luedtke. Stephanie is teaching a series on Liberation Theology. This study is founded on Luke 4:18-19 in which Jesus stands in the synagogue and reads the scroll of Isaiah, declaring that he is the fulfillment of the scripture. The scroll outlines Jesus' ministry to the poor, outcast, and persecuted. Join Stephanie in the library at 9:45 today and again January 29. Bring your Bible!

## next steps for administration | finance

### offering options

**simply giving**  
Members, please note that your 2017 envelopes are in your mailbox, unless you give electronically through Simply Giving. Simply Giving is a convenient, safe, and simple way to make your church offering through electronic funds transfer (EFT) directly from your checking account, savings account, debit card, or credit card. If you are currently giving on a weekly basis, you will no longer need to write out 52 checks a year or prepare 52 envelopes. And, when travel, illness or other circumstances prevent you from attending services, this program will allow your weekly offerings to continue on an uninterrupted basis. Please contact the church office if you need more information about this or if you are ready to switch to electronic giving.

### IRA qualified charitable contributions

Important information for church members over 70½: "*IRA Qualified Charitable Contributions Made Permanent 2016*". The Consolidated Appropriations Act of 2016 finally made permanent qualified charitable distributions (QCDs) from individual retirement accounts. A QCD permits annual direct transfers to a qualified charity totaling up to \$100,000 of tax-deferred IRA savings. Funds that have been distributed from the IRA to the IRA owner and are then contributed to charity **do not** qualify. The transfer must be made **directly** from the IRA to the qualified charity. Importantly, QCDs automatically satisfy required minimum distributions (RMDs) for the year when the QCD is made. That's a real advantage for a charitably minded IRA owner.

*Please consult your tax advisor to see whether this may be a good option for you to explore.*
