## Pastor Ponders

by Pastor Brian Halverson

May is such a lovely month. We are assured that winter has finally lost its grip, and the summer is just ahead of us. The green on the trees, in the fields, and in our lawns is such a refreshing change from the grays and browns that preceded it. May is my favorite month of the year.

Easter is my favorite season of the year. In our northern hemisphere it always corresponds to springtime and the promise of new life. Most people today see Easter as just a one day event, but we know differently. It is in this season in which we hear the incredible gospel stories of Jesus has risen and meets with his disciples. It is in the Easter season we hear the heartwarming story of Jesus meeting two travelers on the road to Emmaus, who did not recognize him at first, but who soon recognized him when they invited him into their home to eat with them. That Easter story is our story every time we share the bread and wine at communion. It is a celebration of new life given to us by the one who travels with us down our roads and paths in life.

May Christ, in this Resurrection season, bring blessings to you and all whom you love.

*Pastor Brian*

## Sunday Morning Family Worship UPDATE

Join us Sunday Mornings at 10:30 for Family Worship. We've incorporated interactive components into worship with the band for a whole family worship experience. Continuing each week through May, we are offering an optional activity for kids in the Narthex during the sermon.

If your family would like, kids will come out after the children's sermon, participate in a project or activity about the scripture

reading, and then return before communion. We have several new families and many young families, and this should help ease the transition to kids fully participating in worship. Parents are welcome to stay in worship during this time and hear the message.

*\*\*Note\*\* If your kids come out for the activity, they will need to stay out with us until it is time to go back to avoid interrupting the sermon.*

# Council Communications

Fellow Disciples,

Financial Report

Following are highlights from the April 17 Council meeting.

## President Report

- Giving envelopes have arrived!
- The Property Team was asked to quantify their estimated value and savings for the church. In the first three months of 2023, their skills have saved St. John's over \$5,000 in labor costs. Thank you, Property Team members, for sharing your time and talents.
- For the past two weeks Rainbow Painting Inc. has been repairing areas of damaged/rotten siding and painting the exterior. What an amazing transformation! Thank you, Interiors Team, for the new color selections.
- Mark your calendars, Sunday, June 4 will be the Annual Program Meeting.
- Starting in September we will launch our capital campaign to support the remaining 2023 enhancement projects: repairing/resurfacing the circle drive and improving the exterior signage on Barker Road. We ask you to prayerfully consider how may support these upcoming projects.

- Thank you for your faithful giving! March's gracious giving has allowed St. John's to set aside \$810 in funds to be put towards deficit reduction, as the 2023 budget approved by the congregation had an approximate \$37,000 deficit.
- Point of reference: To determine the amount of funds which can be set aside, The Finance Team and Council review the daily cash on hand calculation and value. If there is more than 45 days cash on hand, funds beyond the 45 days cash on hand, is then eligible for discussion, recommendation, and approval. This same "45 days cash on hand" calculation is used to approve money to be added to the Capital Improvement Fund (CIF).
- The balance of the Capital Improvement Fund (CIF) as of March 15 was \$113,618.21.

Please reach out to me or the council members with any questions you may have.

Praying for peace and good health to all,

Brian Zach, President

## Message from the Treasurer

March's giving was 35% below budget. March expenses were 99% of budget. We've also begun proactively working to address the deficit present in the annual budget. To date, we've moved over

\$8,000 to the Deficit Reduction Fund, which is a great start to closing the gap. Thanks, as always, for your faithful and generous stewardship.

## Creation Corner

### Participate in No Mow May!

No Mow May is a conservation initiative sweeping the nation that encourages people to stop mowing or mow less often for the month of May to create habitat and provide resources for bees and other early-season pollinators. In addition, reduce or eliminate the use of herbicides and pesticides! Besides being potentially harmful to our pollinators, chemicals and weed killers are not needed for a healthy lawn.
