# Pastor Ponders

by Pastor Brian Halverson

Transitions. When I think of November, I always think of transitions.

We are transitioning from autumn and its beautiful colors to winter and the cover of whiteness. From the chill in the air to sometimes bone-crunching cold. From the gradual fading of the day to the darkness of the winter solstice. From the harvest of the fields to the emptiness of fallow land.

In these transitions we give thanks to God. For each season plays a vital role in God's good creation. Each season brings its own importance to the whole.

Transitions can be difficult. We tend to lose something, usually at first, and we gain something, usually later. We know the painful loss immediately, and it also means we have to adjust to a new reality.

The disciples lost their friend, mentor, and savior as they watched him die on Good Friday, and they certainly had to adjust to

a new reality in the Easter Sunday resurrection! But they also had to adjust to Christ's second leaving on the day of the Ascension.

God did not leave them, however. The Holy Spirit came to them – giving them hope, strength, and wisdom to continue the mission of Christ and to proclaim the goodness and sovereignty of God in God's creating world. In this new reality, they grew in faith and strength, not in spite of the challenges, hardships and sacrifices, but because of them. They turned their pain into blessing, as they served others in their pain.

Transitions. We have many of them, as the old passes away and new begins. In them all, God is there, showing us the way forward, giving us strength along the way, and growing us to be the people God intends us to be.

Thanks be to God!

*Pastor Brian*

## St. Olaf Orchestra

Thank you to all who helped welcome the St. Olaf Orchestra on October 12! The planning team of Linnea Logan and Mark and Karen Aamot, all the folks helping with welcoming, set up, cookies and so much more was awesome! And a huge thank you to all who attended!

A note from Terra Widdifield, concert manager:  
*When Connor and I visited in advance, I expected a few people at the church to greet us. Instead, I think it was nearly a group of 10 waiting to welcome us, show us around the church, and just let us know how important our visit was to them. When I was in the choir and orchestra in the 1990s, church concerts were the norm. That isn't the case now, so this chance to show the orchies a warm and enthusiastic church welcome like the one you gave us was lovely. And, a perfect way to start the tour.*

## Milwaukee Festival Brass Concert November 2

The Milwaukee Festival Brass will present a concert celebrating the tradition of British-style Brass Bands at St. John's on November 2 at 2:00 p.m. Ticket information at [www.mfbrass.org](http://www.mfbrass.org).

St. John's will be offering three Wednesday evening sung prayer services this Advent season 6:30-7:00 p.m. on December 4, 11 and 18. There will be a simple meal preceding each service at 5:45 p.m. The setting "Joyous Light" by Ray Makeever is a contemporary setting of an ancient pattern of prayer, offered up in thanksgiving as daylight gives way to night.

## Serving at All Peoples

On October 2, a small but mighty group from St. John's went to All Peoples to work in the garden. Keith and Sandy Paukner, Karen Aamot, Gail Rennie and Cindy Halverson had a very good day caring for God's Creation.

These are thank you messages written by those who utilize All Peoples food pantry and garden table.

## Grief Support Group

St. John's is starting a Grief Support Group for our members who are in need of support and conversation regarding the loss of a loved one. We will meet for six weeks from November 12 to December 17. If you have lost a spouse, child, parent, or other person for whom you are grieving, please consider joining our group. Pastor Brian and

Patrice Krimpelbein will be leading this group. Please note that we are not grief counselors, we are here to talk, provide support and, hopefully, help you understand grief.

Please indicate your interest by adding your name to the sign-up genius, accessible from our website.

## Hunger Appeal Update

Our theme this year is on the stewardship of God's creation. In September we highlighted our ministry of caring for the hungry with a focus on ELCA World Hunger. The Sunday School challenged the congregation and you did not disappoint.

The year-to-date total giving to ELCA World Hunger is almost \$10,000! Some of that total includes regular monthly donations but most is from the September appeal. Through your generosity we were able to buy several cows with the rest going where it is most needed!

# Serving the World

## Women's Center Thank You

*"On behalf of The Women's Center and those we serve, thank you for your donation of new bedding, diapers, hygiene products, and disposable cups and dishes.*

*Because of support like this, we are able to help all who come to our doors in search of resources, assistance, and support while working through their challenges and trauma. Our work would not be possible without donors like you.*

*Your kindness allows us to continue our mission of creating a community where everyone we serve feels safe, supported, and empowered. Without your support, these services would cease to exist. Thank you."*

We specifically focus on donations to The Women's Center in February and December. However, donations may be placed in the blue cart in the Donation Location throughout the year. This thank you was received in response to a recent donation delivery.

## Dispensary Progress

The Mini-Clinic/Dispensary in Los Héroes was outfitted with desks, two exam beds, a rolling cart, a secure storage cabinet, an IV stand and a refrigerator! The church has set up a coordination team (all volunteers) to handle networking with medical professionals, scheduling, fund management, and cleaning. Things are on track for an inspection, dedication ceremony and grand opening in January!

Here's a little video tour of the space: <https://youtu.be/uLY5taD-pFY?si=QU7dbXrppyuWwVvz>

## November Outreach: Los Héroes Health Ministries

In November, we have an opportunity for congregation members to donate items to support Los Héroes Health Ministries. These ministries include caring for people's basic health needs, health education programs and screenings, and the Days for Girls Washable Menstruation kit project. # Council Communications

Here are the main talking points from the October Council meeting.

1. Special guest, Pastor Doug Anderson, attended from the synod. It was a listening session, promoted by our Bishop, to get a feel on how our congregation was doing.
2. From "Pave the Way" - A tithe check will be presented to the Hope Center as the circle drive repaving has been completed and paid.
3. From the Financial report - Giving in September was above budget after being below thru the summer months. However, we are still 11% below budget YTD.

4. There was discussion on giving and attendance of the 25 thru 34-year-old group and how to address it thru Outreach and Evangelism.

# All Saints' Day

All Saints' Day is a day when Christians commemorate those they have lost as well as the Christians who have lived before them and have testified to their Christian faith. In the Lutheran Church, All Saints' Day is celebrated on the first Sunday of November.

When we honor the faithfully departed, even more so we honor the God who has trampled death. God is the focus of every All Saints' Day celebration, and the lives of the departed are lenses through which we can see God's love in action.

This year we remember and honor these saints:

## About Us

### Welcome Statement

At St. John's we align with Paul's words in Romans 15:7 "Welcome one another, therefore, just as Christ has welcomed you, for the glory of God." We welcome one another all who are seeking God's love and grace. We welcome all because God welcomes all, regardless of race, age or culture, sexual orientation, gender identity, gender expression, or relationship status. We welcome all without regard to physical or mental health, socio-economic circumstances, or anything that too often divides us. Our unity is in our commitment to the ways, grace and love of Christ.

### Core Values of St. John's:

- Serving our world, locally and globally;
- Inspiring worship and music that honor God;
- Nurturing relationships with one another as Jesus walks with us;
- Growing in God's grace through education and discipleship;
- Engaging children and youth in the life of the church.
