Pastor Ponders

by Pastor Brian Halverson

Easter. It is a celebration of life itself. During our sunrise service on Easter morning, we watch as the sun comes up during communion, and it is if we are celebrating our new life in Christ with the very first converts to the church.

In the earliest church, in the rites of baptism, the group of converts who went through the three-year catechumenate were baptized early on Easter morning. They stood in the river with their backs to the east, renounced Satan, and then turned to the east and made their baptismal confession for the first time, as the sun rose to greet them. Afterward, those who were

baptized received Holy Communion and went back into the world to spread the good news of Jesus Christ.

It is a powerful image. To be awake at dawn and to see the start of a new day continues to fill us with hope, that no matter what the day will bring, we are surrounded by the light of day and the eternal light of God.

In our day today, we celebrate Easter with church services that are filled with music, scripture readings, children's messages, and the proclamation of Christ's rising from the dead, and the receiving of Holy Communion. The inner

spiritual work we have done in Lent opens us to the incredible miracle of God's saving grace and infinite mercy.

We may not stand in the water of a river, as the first communicants did, but we do stand in the river of time. The waters of our baptism still flow in us and through us, bringing us to the end of time and the eternal time that is to come.

This is the celebration of the Easter life in the Risen Christ!!

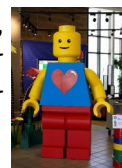

Alleluia!

Children, Youth & Families

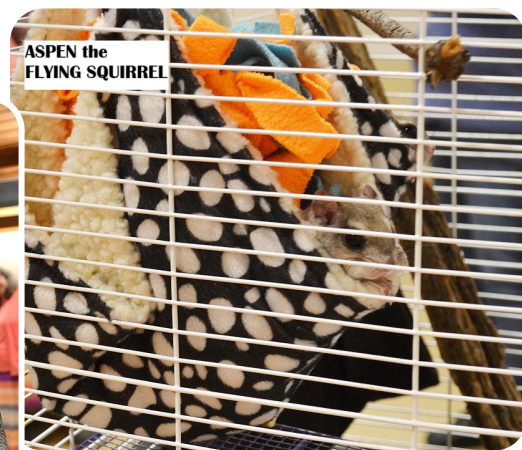

St. John's Preschool Family Night with Wildlife in Need on March 6 was fun and very educational. Max, the teacher from Wildlife in Need, brought four Animal Ambassadors that we met and learned so much about each one of them.

Our first two Ambassadors were Aspen and Acorn, the Flying Squirrels. It was their first educational visit and we made them feel very welcome as they peeked out at us from their cage getting nibbles of chow from Max.

The next two Ambassadors were Evie, the Eastern Fox Snake and Twiggy, the Painted Turtle. Both Evie and Twiggy had visited us before and were so happy to see us and we all got to pet them.

Each year we hold a fundraiser for Wildlife in Need and this year we collected 10 bags of birdseed for the birds receiving care at Wildlife in Need.

We ended the evening with an Animal Cracker snack for the Preschoolers and Pinecone Birdfeeders for the birds around our homes. What a great way to round out a great Preschool Family Night.

Chaos and the Life of Faith: *An Old Testament Motif for Our Day*

In the creation accounts, God puts everything in order. Yet throughout the Old Testament there is the sense that creational order can be disrupted and even undone. Chaos can return. In chaotic times, however, the Bible proclaims God's power to restore.

APRIL 13

Jesus and Chaos: Living Out Our Faith in Uncertain Times and Situations

Jesus' life was anything but calm and serene. Through it all, Jesus showed faith, courage and a resolute devotion to the word and will of his Heavenly Father. He gives us an example of faith as we live in our own world and time, which can be rather chaotic as well.

Prayer Shawl Ministry

Our Prayer Shawl Ministry team provides handmade creations meant to send the message of God's continuous love and care. These creations include prayer shawls and pocket patches.

Why Give a Prayer Shawl or Prayer Patch?

There are many reasons to give a prayer shawl or prayer patch:

- ⇒ an illness,
- ⇒ a disease,
- ⇒ grief at the loss of a loved one,
- ⇒ a natural disaster,
- ⇒ or just a reminder that they are never alone.

Where to Find Them?

You can find the Prayer Shawl cabinet to the left of the church sanctuary doors, filled with colorful shawls. Choose one. Pocket Patches are in a basket on top of the cabinet. There are cards and gift bags to send along with your shawl. Also, there is a book to fill in to let us know who the shawl or patch is going to so we can pray for them.

Join the Team

If you like to knit or crochet (or even would like to learn) our group would be delighted to have you join us. We meet the second Friday of the month from 10:00 a.m. to noon.

Quilting News!

Bargello 2.0

On Thursday, March 13, St. John's folks came together for Bargello 2.0 and the heart block. Bargello was popular, so we offered a second opportunity to try the technique. Also offered was a chance to experiment with half-square triangles and create a heart block. Everything sewn will be the centerpiece for quilts that we sew and send to Lutheran World Relief. We sew together in a group in the fellowship hall and have a different focus to maybe learn something new. All materials are provided. We hope you are able to join us at our next event! Questions: seek out Klaudia or Jennifer.

Worship and Music

Good Friday

We will be using Hal Hopson's setting of Tenebrae on Good Friday at 6:30 p.m.

Hopson's service of Tenebrae follows a tradition of the early church dating back to the eighth century, and commemorates the final hours of Christ's life on earth as He prepared for and suffered death on the cross.

What Wondrous Love Is This

A hymn note about a beloved Lenten hymn tune: *What Wondrous Love Is This* (American Folk Hymn; Source: Southern Harmony 1835, Evangelical Lutheran Hymnal #666)

The melody for this hymn shows signs of Celtic influences, and the unusual meter is that of an old sea chanty about Captain Kidd. The tune first appeared in the valleys of the Southern Appalachians, where William Walker recorded it and included it in his historic Southern Harmony. Each stanza has a single thought which is underscored by repetition, but it is the haunting melody that has made this hymn so popular in this country.

Stewardship Update

by Phil Peters

As many of you have seen, we recently awarded over \$20,000 in Endowment Grant Funds to 18 incredible organizations—each one making a meaningful difference in the world. You can see a few of them highlighted in this image.

Because of your generosity, we're able to extend the mission and heart of St. John's far beyond our walls—reaching into communities and causes that matter deeply to our members.

I'm also excited to share that the Endowment Committee will be opening an additional grant request window for two weeks starting March 30th. So if there's an organization or ministry close to

your heart, we invite you to apply or spread the word.

Stewardship Committee Update

- February General Giving Summary

2025	2024/Goal	2023
\$102,737	92,205	67,777

- Giving was above goal. THANK YOU!
- Phil's Impact Story: Endowment Committee

When the other (and some might say wiser!) Phil invited me to join the Endowment Committee, I'll be honest—I had to google "endowment." But I'm so glad I did. I discovered that we have a special fund at St. John's that allows us to support even more of the places and causes that our congregation loves.

Being part of that work—helping others in tangible, lasting ways—has been a deeply rewarding experience. I'm incredibly grateful to those who had the foresight to start the fund and to those who continue to give so generously to it. Your gifts are truly multiplying goodness in the world.

Serving the World

Endowment Second Window for Grant Requests

St. John's Endowment fund was established in May 2000, to provide additional support for the mission and ministries beyond the general operation of the congregation. The Endowment has grown to \$135,793 which is invested to produce income for distribution.

We had our first 2025 open window period January 1-31. We are trusting that the stock market behaves and are able to offer an abbreviated second open window March 31-April 13. New grant requests will

be considered, please no double-dipping of first window grant recipients. The form is available online and on the bulletin board.

If you would like to know more about the Endowment Fund or how to contribute via a will, trust, life insurance policy or other financial instruments, please contact a member of the team: Jennifer Cranfill, Phil Peters, Angie Rose-Mueller, Curtis Templin, and Rich Warp.

Spring Spruce Up

Council Communications

Council Highlights for March 17 Meeting

- Pr. Kristen Nielsen, from the synod office, assistant to the Bishop, visited with us and outlined what we need to do over the last months of Pastor Brian's ministry and then into the weeks after his retirement.
- Pastor Brian highlighted the coming Adult Education Forums for April 6 and 13.
- The financial report highlights: Very good month of February, giving was 12% over budget and expenses were 7% under budget. We are hoping that will continue into March. The council voted to move \$5,000 to the Capital Improvement Fund since we were carrying over 45 days of cash on hand. Carrie Peters and Paul Bulgerin will meet with the staff to discuss the new cash handling policy.
- President's Report: There is secretive work being done on Pastor Brian's farewell celebration on May 25. The council will serve the Lenten meal on April 9.
- Property Committee: The boiler's electronic controls will be upgraded and changed the week of May 26.

- Pave the Way updates: The Sign committee made a recommendation to the council to pursue the electronic sign which is the primary choice for replacing the old sign, even though there are many hurdles to work through to get that done. There are indications that the Town of Brookfield may be willing to make some allowances. The Interior signage is scheduled to be put up in April.
- Nominating committee has been working on filling the vacancies for the church council and endowment committee.
