# Pastor Ponders

By Pastor Karen Natterstad, Interim Pastor

Thank you St. John's for inviting me to serve as your interim pastor...again. I served with Interim Pastor Frank Janzow from April 2018 through January 2019 prior to your calling Pastor Brian Halverson.

For those of you who were not a part of St. John's community at that time, let me introduce myself. I've been an ELCA pastor for 38 years serving congregations in the Greater Milwaukee Synod: a congregation in Racine (now merged), Atonement Church, Muskego and Our Savior's Church, Oconomowoc. I retired in 2017, but continued to serve in interim ministry working and then taking extended time off to enjoy "the active retired lifestyle." After St. John's, I served at Gethsemane Church, Brookfield and St. Matthew's Church, Wauwatosa. I share this detail with you as it can be a small world in the Lutheran Church and we may know people in common. Making these connections I think helps us build community.

I am also married to a retired ELCA Clergy, Dean Natterstad, whose 44 years of ministry have been with a number of congregations in this Synod as well. We have two adult children. Our son lives in Green Bay with our 10 and 12 year old grandchildren and our daughter lives in West Allis with her husband and our 11 and 16 year old grandchildren. We live in Pewaukee, where Dean and I enjoy in our home the company of our 9 year old black lab, Winnie. I continue to provide support to my 94 year old mother who lives in a nursing home in Oconomowoc. She is sharp as can be, manages mobility with an electric wheelchair, and makes the best of nursing home living. She plans to live to 100, now that she's this close.

Dean and I enjoy RV camping, especially in our State Parks. And if it's near a bike trail, we are riding our E-bikes. I enjoy other outdoor

activities too. Staying active, better habits, aging well, have become a bit more important to us at this stage in our lives. I enjoy the solitude of creative activities too - quilting, knitting, or working on jigsaw puzzles.

I'm looking forward to getting re-acquainted with you or meeting you. I'm happy to set aside retirement to serve as your interim pastor. I have great respect for this community and your ministry and am excited

to help you get ready for your "whatever is next." My first impressions I see what I valued so much about you seven years ago - joyful worship, long-standing ministries that serve our neighbors in need, sincere care for one another, strong leadership and a devoted staff. Let's keep up this good work. And, let's seek what God has in store for you.

On the journey with you,  
Pastor Karen, Interim

## We are Thankful, Grateful, & Blessed This is what our families say about St. John's Preschool

*My children really thrived in an environment where the emphasis was on learning through play. I felt the curriculum was age appropriate for the developmental stage of my children. I appreciated the amount of one-on-one attention that my children received. I felt comfortable leaving my children in the care of experienced and patient staff members, who always showed my children kindness. I have and will continue to recommend St. John's Preschool to those looking at preschool options.*

-Dani B..

*St. John's provides a wonderful, nurturing preschool experience with age appropriate curriculum for children. Every morning my children are excited for school because of the warm, welcoming teachers greeting them. There is always a large variety of play based learning activities set up for the day that support children's overall social and cognitive development.*

## Nashville Mission Trip Recap

Our high school youth spent a powerful week in Nashville serving and learning alongside ministries that support the unhoused and those in deep need. From preparing and serving meals to offering a listening ear and open heart, our students experienced firsthand what it means to love our neighbors with compassion and dignity. It was a week filled with eye-opening moments, heartfelt conversations, and a deeper understanding of how God calls us to serve.

Thank you for your prayers, donations, and encouragement—you made this trip possible!

# El Salvador Update

The delegation visit in El Salvador was filled with lots of hugs, learning and fun!

*Life-changing relationships were made during this trip!*

The group had a tour of the Los Héroes Community Health Center and participated in a sex education workshop led by Nurse Lorena and Dr. Janeth. The children, youth, parents and grandparents shed their giggles and learned to say (with confidence) the anatomical names for reproductive organs. Lorena and Janeth are building a wonderful rapport with the community and creating a safe space for holistic health and wellness. Our churches provide ongoing support for this important ministry!

## Summer Handbell Camp

Summer Handbell Camp 2025 was a huge success. Sandra Eithun, composer and clinician, directed 30 camp participants. They learned new techniques while learning 11 songs, that were showcased in concert on July 31.

MUSIC THIS SUMMER!

## Join the Choir!

Our first rehearsal is Wednesday, September 3 in the sanctuary, 6:30-7:30 p.m.

We generally sing 2-3 Sundays a month at the 8:30 a.m. service plus holidays September through May. We are actively looking for new members and hope you will prayerfully consider. Highschool age to adult (middle schoolers are welcome with an adult).

Never sung before in a choir - NO problem! There is no audition.

Can't commit to the whole year or even all the Sundays that are scheduled? NO problem! Contact Becky Whelpley before the first rehearsal.

## Kids of the Kingdom

Kids of the Kingdom begins for PreK - 6th graders on October 1. Rehearsals take place on Wednesdays. Preschool age children begin rehearsals with the large group and then continue with a separate, age appropriate rehearsal led by Mrs. DeCoto.

We meet to rehearse songs from 5:15-6:00 p.m. with a dinner to follow. We sing once a month in worship. There is no charge to be involved, we just ask families to share a few meals throughout the year. We also welcome 7th-12th graders during this time to work with Becky Whelpley. For more info, contact Lisa at [lisajwc@sbcglobal.net](mailto:lisajwc@sbcglobal.net).

## Creation Corner

**Adjust your water  
softener cycle!**

Does your home have a water softener? If your bill comes from the Waukesha Water Utility, you likely no longer need it! If you do use one, be aware that older water softeners regenerate on a timer, flushing unneeded sodium and precious water down the drain on a regular schedule. You may be wasting up to 50 gallons of water each time!

Minimize the environmental impact of yours by making sure it has an on-demand setting and have a service technician come out to adjust your unit's settings for the proper level of hardness and efficiency.

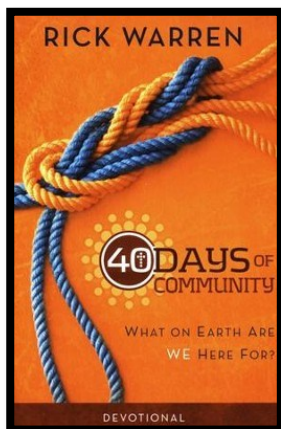

# Care of God's Community

## Fall Theme - CARE OF GOD'S COMMUNITY

You may remember that last Fall our congregational theme was "Care of God's Creation". This Fall, our theme will be "Care of God's Community". For the congregational study, we will be using Rick Warren's six-week video series entitled "Better Together". Many of you are familiar with Rick Warren. A several years ago, we studied his very popular book "The Purpose Driven Life". (I find his videos to be very powerful, pragmatic, and rewarding.)

In this "Better Together" six-week series, the sessions focus on loving God's family, reaching out together, fellowshiping together, growing together, serving together, and worshipping together. This is a video series, not a book discussion per se. Rick Warren has a "40 Days of Community – What on Earth Are We here for?" devotional book that consists of 40 short daily devotions that will help prepare you for the videos, although reading the short daily devotions is not necessary to participate in the video series and associated discussions. Please consider participating. We think you will find it very rewarding. More info to follow.

# Council Communications

## Church Council Meeting Update for July 2025

The church council met on Monday, July 21. We welcomed Pastor Karen Natterstad, our new interim pastor, to the meeting.

**Finances:** Offerings for June were 7% under the budgeted amount. It is not unusual for offerings to fall off during the summer months. So far for 2025 our offerings are 6% over the budgeted amount, which is good news. Expenses are still slightly under budget for the year.

**Pastor's Report:** Pastor Karen asked, and the council approved, that \$40,000 of her salary and compensation amount be designated for housing allowance. The council also agreed that she can take eight days of previously planned vacation time before the three-month period usually stipulated for new interim pastors.

Pastor Karen took the council through the timeline congregations go through when a pastor leaves and what happens when an interim pastor is called and work on the Mission Exploration Team begins.

She plans to soon begin work recruiting members for the Mission Exploration Team (MET) and hopes that the MET will begin its work in September.

**President's Report:** I talked about plans to make sure that the congregation is kept fully informed of all that will happen during the interim period and while the MET does its work.

**Property Committee:** The council approved \$17,700 from the capital improvement fund to replace the flat roof over the gathering space area. This is the original roof from when this area was constructed in 1989. Work will be done soon.

The council also discussed plans and funding sources for the landscaping work to be done outside by the cross. Property will report back on this.

**Old Business:** The council approved the recommendation from the Finance Committee that the handbell director's position be paid for one additional hour per week.

Sincerely,  
Paul Bulgerin  
Church Council President

**NEXT COUNCIL MEETING:  
SEPTEMBER 15 AT 6:30 P.M.**

---

## Mission Exploration Team (MET)

Now that Pastor Karen Natterstad is serving as our interim pastor, the next big step for the congregation is the creation of the Mission Exploration Team (MET).

The MET is not the call committee. The call committee will be formed later, when the work of the MET is done.

The MET's job is to create a congregational profile of who we are, what are our strengths and weaknesses as a congregation, what are our goals and hopes as we seek a new pastor. The MET

will conduct meetings with various groups at church, analyze the statistics of our church finances, worship attendance and demographics to give us a good idea of what truly makes up St. John's Lutheran.

All of this will take a number of months. When this work is done, the MET will present its findings to the congregation at a "town hall" meeting. It is only after the work of the MET is completed that we will move on to creating a call committee.

We are looking for candidates to serve on the MET. If you have someone you feel would be a good fit for this group, please talk with Pastor Karen. It is her responsibility, as our interim pastor, to choose the members of the MET and to lead them in their work.

We will keep the congregation informed along the way as the MET conducts its important work.

Paul Bulgerin  
Church Council President
