Pastor Ponders—What's the Key?

By Pastor Karen Natterstad, Interim Pastor

"Nothing Can Separate us from the Love of God" - Romans 8:39

The delegation that visited Los Héroes de la Fe, El Salvador in July presented a gift to St. John's during their presentation at worship on Sunday, September 14. The gift from our partner congregation is a folk art key-shaped key holder. The gift means so much more as it was presented with a message and Bible verse. We are given the key to their community. We are always a welcome guest, free to

enter, with full access to their community, church, homes and lives. The Bible verse, Romans 8:39, represents the bond and fellowship of this long-standing partnership: "Nothing can separate us from the love of God in Christ Jesus our Lord." Amen. And amen.

Like some of you, I've known this partnership more from a distance. I've been honored to meet some of the visiting El

Salvadorans. Like you, I continue to offer my prayers of gratitude and intercession for our friends. But it doesn't take much to imagine the importance of the Church in their community. I'm convinced that the Church's pastors, leaders, and people witnessing and practicing the love we know in Christ are bringing hope, help, healing, faith development and community. It's also what we strive to do as a Church in Brookfield. We love so that others may know Christ's love too.

This fall at St. John's, you're invited to participate in the churchwide study, 40 DAYS OF COMMUNITY. We'll be focusing on six themes for what it means to be a congregation that shares the love of Christ. You have three ways to participate: 1) attend weekly worship; 2) join a small group that will be using a video and provide discussion, or 3) purchase and read a daily devotional book.

We have six keys we use in the Church community to open the door to God's amazing grace!

- 🔑 PRAY - God's love may be experienced.
(Love One Another)
- 🔑 INVITE - reach out to others, friends and strangers.
(Reaching Out Together)
- 🔑 CONNECT - value God-given abilities and experiences and work together.
(Belonging Together)
- 🔑 COMMIT - be life-long learners, open your Bibles and grow in faith
(Growing Together)
- 🔑 SERVE - many hands make bigger things possible.
(Serving Together)
- 🔑 WORSHIP - giving God our thanks and praise!
(Worshipping Together)

On the journey with you,
Pastor Karen

Children, Youth & Families

Preschool's Day at the Farm

We had a beautiful Fall day at Cozy Nook Farm! Our Three and Four Year Olds with their grownups met, petted and fed so many cows. Goats, too.

And what better way to end a day at the farm than to take a hay ride out to the Pumpkin Patch to choose just the Best. Pumpkin. Ever.

We think we have some future farmers here!

ELCA World Hunger

For I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me. – Matthew 25:35

Part of our outreach emphasis for October includes highlighting the efforts of the ELCA World Hunger appeal.

By providing immediate relief to those who are hungry, we meet basic needs and recognize the universal human right to food. But ending hunger is about more than food. By connecting people with the resources they need to produce food and gain access to clean water, education, health care

and sources of income, long-term, sustainable change can be accomplished.

We start with relationships marked by listening. We believe people know their own communities best. It is our congregations and our global companion churches that first identify the local needs and related solutions to help make a difference.

Working through ELCA congregations, global companion churches, The Lutheran World Federation and many partners like Lutheran World Relief, the ELCA reaches more places more

effectively than we could ever do alone. We fund relief and development projects that assist our sisters and brothers in need, and engage members of the ELCA in education and advocacy to help change the systems that perpetuate poverty.

As in years past we ask all to prayerfully consider either a significant one time donation, OR consider monthly giving what you would spend on a fast food meal to help fight world hunger through our "Burger A Month" club. Learn more at <https://www.elca.org/hunger>

Serving the World

ENROLL TO SERVE ON SUNDAY MORNINGS

Worship is integral to our faith. We gather each week to praise our loving, generous God. We currently need 22 people to make Sunday mornings go smoothly, and to make worship worship-filled.

Whether you prefer to serve behind the scenes or in front of others, there is a place for you.

Ways to serve on a Sunday morning are:

- assisting minister (8:30 only)
- audio/visual
- coffee host (only need subs)
- communion server
- communion set up/clean up
- greeter
- lector
- usher.

We are implementing a new scheduling system to better coordinate all Sunday morning volunteers. If you wish to serve in any capacity between now and January—whether you want to serve one time or every week—you need to fill out a form **by**

October 12. Forms are available online through this QR code and on pink paper in the gathering space.

Your information will be entered into the scheduling system. You will receive an email from the Ministry Scheduler Pro, the scheduling system, to input dates you are NOT available to serve.

Once serving preferences and cannot serve dates are entered, a schedule will be generated. Instructions on how to swap a date or to request a sub will come with the schedule.

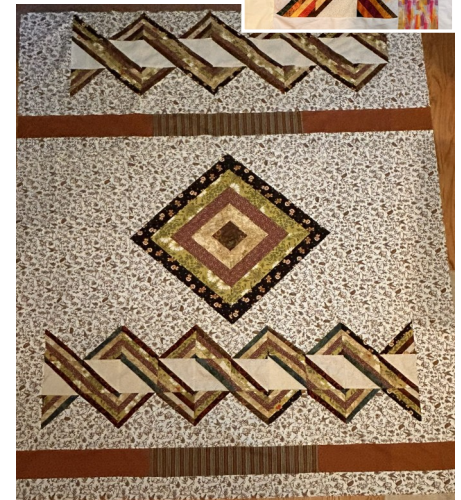

Thank you for your prayerful consideration of serving our community through these ministries.

October 12	Deadline to enroll in initial schedule
October 19	Deadline to enter "cannot serve" dates
October 26	November to January schedule distributed

QUILTING

At the end of August, several gathered to learn and practice a new quilting technique. Two quilt tops using that technique are shown below.

All of the quilts made this past year will be displayed and blessed in worship on October 5. The quilting group is serving the world, one quilt at a time.

Council Communications

The meeting was held on Monday, September 15, 2025.

Finances: Giving for the month was slightly under budget due to low attendance on August 10 following the heavy rains. For the year, giving is still above the budgeted amount. Total income for the year is up due to healthy investment income.

Pastor's Report: The Mission Exploration Team is in place. The members of the MET were introduced at worship on September 14 and the MET held its first meeting that same day.

The Ministry Fair on September 7 was a good opportunity to promote up-coming ministry events for the new fall program.

The Stewardship Committee will be working on the 2026 giving campaign which will be presented to the congregation later in the fall.

Pastor Karen shared a few changes in worship planning. She is bringing back assisting ministers at the 8:30 service. We will also use the offering box at that service, something we have been doing at 10:45. She will begin offering prayer request cards so that people can submit requests for specific prayers.

A draft for a new facility use policy for outside groups using the church building was shared with the council. This will be reviewed and then discussed again at the October meeting.

President's Report: In an effort to keep the work of the MET in front of the congregation, members of the MET will give updates twice per month in worship. St. John's members are welcome to talk with the MET members.

Property Committee: The council approved spending money for mold abatement work to deal with a problem in the church building.

"Pave the Way" Update: The Town of Brookfield has given approval for St. John's to construct an electronic church sign outside the worship area. Funds for this have been designated. The sign design group will look at the specifics of what this sign will be like.

Old Business: The council approved spending up to \$1,000 for attorney fees to deal with the issue we are having with GFL, our former trash collection company. This is a result of St. John's decision to go with a different company and the buyout policy GFL has.

Respectfully Submitted,
Paul Bulgerin
Church Council President

OCTOBER 20 AT 6:30 P.M.**

Avoid Extra Packaging!

It's almost trick or treat season! Have you bought your Halloween treats yet?

This year, be extra choosy when purchasing candy or other treats. Pick the one with the least amount of plastic packaging. Look for packaging that can be recycled or composted. All that individual packaging really adds up in our waste cycle.

New Hope Center Director

Hope Center is proud to announce the appointment of **Tonya Lyons** as its new Executive Director. Lyons brings over a decade of experience in nonprofit leadership, housing services, and youth advocacy, and will lead the organization in its mission to reduce the risks of poverty and homelessness in Waukesha County.

Hope Center has served the Waukesha community for over 44 years, providing essential services such as food, clothing, and shelter to individuals and families in need.

About Us

Welcome Statement

At St. John's we align with Paul's words in Romans 15:7 "Welcome one another, therefore, just as Christ has welcomed you, for the glory of God." We welcome all without regard to physical or mental health, socio-economic circumstances, or anything that too often divides us. Our unity is in our commitment to the ways, grace and love of Christ.

Core Values of St. John's:

- Serving our world, locally and globally;
- Inspiring worship and music that honor God;
- Nurturing relationships with one another as Jesus walks with us;
- Growing in God's grace through education and discipleship;
- Engaging children and youth in the life of the church.
